

*The NALC vision calls for every congregation, small or large, to have an active, intentional relationship supporting a local community ministry, one of the NALC mission congregations in North America, and one global mission.*

Making and mobilizing disciples for Christ's mission in the world.

“Go, therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit...”

“Jesus said, ‘I am the way and the truth and the life.  
No one comes to the Father except through me.’”

John 14:6

## The Way

The purpose of the Great Commission Society of the NALC is to mobilize disciples for the work of the Great Commission. Our mission is to proclaim the Gospel of Jesus Christ to a world that is in desperate need of the Good News. We propose to do this by networking congregations and individuals who have a passion for the proclamation of the Gospel and a commitment to the calling of the Great Commission.

## The Truth

Our culture teaches that truth is relative. The Great Commission Society proclaims that truth is not relative but is personal and found only in the person of Jesus Christ. The Society will not seek to be all things to all people but will focus on the one thing that all people need – the truth about God as revealed to us by His Son, Jesus Christ.

## The Life

The Great Commission Society fully believes that new life is to be found in Jesus Christ. Society members are therefore expected to reflect this new life through focused prayer, Bible study, inspired witness, contributions of time and talent, and financial support of missions locally and globally. Society membership funds will be used to support global workers, mission starts, and renewal initiatives.

## Your Calling

As a member, you will be supporting both NALC global workers and mission projects that have emergency financial needs and new mission starts in North America. In addition, you and your congregation may also choose to support local and global projects from those described at [www.thenalc.org/gcs](http://www.thenalc.org/gcs).
