Life-to-Life Discipleship

NALC Life-to-Life Discipleship Team

Pastor Eric Riesen, Chair

Hermitage Ballroom

Dietrich Bonhoeffer wrote, "Christianity without discipleship is Christianity without Christ." The NALC is committed to the ministry of making disciples. We want Jesus Christ, as he is given to us in Word and Sacrament, to be the center of our lives together. The Life-to-Life Discipleship Team was formed to help our congregations in growing Christians to maturity in faith. During this session, we'll hear from a panel of pastors serving on the Life-to-Life Discipleship Team about current and long range plans, learn more about the confessional basis of a specifically "Lutheran" form of discipleship, hear stories about how discipleship is happening in our congregations, and have time to ask questions.
