

## MEMORANDUM

To: Members of the North American Lutheran Church  
From: Ryan Schwarz, NALC Treasurer  
Date: 8/1/2017  
Re: NALC Staff Compensation Information

---

As stewards of resources which ultimately belong to God and which have been entrusted to us by dedicated donors, the NALC has a strong commitment to financial transparency. To that end, this memorandum provides information to members and donors of the NALC about the compensation provided to our church's staff members.

The NALC establishes staff compensation packages by benchmarking against compensation for similar positions in congregational and church body leadership, while also taking into consideration scope of experience, education and prevailing compensation levels in the geographical areas in which our staff work and reside. Pension, health and other employee benefits are provided through *Lutheran Benefits*.

The following table details compensation information for the current year (2017):

### **NORTH AMERICAN LUTHERAN CHURCH 2017 Staff Compensation**
