For the Direct Support of:

## Church of the Living God Houston, TX

Located in Houston, Texas, Church of the Living God's mission is "to reach the Chinese immigrants and the second generation, by the Gospel of Jesus Christ and making them to be the disciples of Jesus Christ." Since God has sent more and more immigrants from China to the US, the congregation wants to make use of all opportunities to share with them the Gospel and the new life in Jesus. The congregation provides ESL classes for new

immigrants, is planning to start a class in citizenship to help those seeking naturalization, and sponsors Bible studies each week at three different senior citizen apartment buildings to evangelize seniors coming from the control of Communism during their life in China.
